Specialist Solutions Across Critical Sectors

Government Agencies

Comprehensive pest management for councils, educational facilities & government agencies requiring strict compliance protocols.

Facilities Management

Integrated solutions supporting major FM groups managing diverse property portfolios, with scalable programs and consistent service standards.

Food Handling

HACCP-compliant solutions for food service operations requiring the highest hygiene standards.

Hospitality & Commercial

Tailored programs for hotels, restaurants, retail centres, and commercial properties where reputation and customer experience are paramount.

Strata & Property Management

Multi-site programs supporting property managers with consistent service delivery and comprehensive compliance documentation.

Delivering Results for Major Clients

“

“Pest2Kill’s standout quality lies in their impressive **responsiveness and professionalism**. They handle work orders swiftly, deploying **experienced technicians** promptly to manage a range of pest issues, including termites, birds, rodents and insects. The service reports they provide are detailed, featuring clear photographs and recommendations.

Overall, Pest2Kill has consistently met and **exceeded our expectations**, and I confidently recommend their services without hesitation.”

TOMAS SOKAL
Facilities Supervisor
Cushman & Wakefield

**CUSHMAN &
WAKEFIELD**

“

“The **Justice & Forensic Mental Health Network** first engaged Pest2Kill for ongoing pest control services in 2016 and since then, the team have consistently delivered **professional and effective pest control services in line with our high standards**. They are diligent, reliable, respectful and personable. We appreciate our long-standing business relationship with Pest2Kill and I have no hesitations in recommending them to any government agencies.”

MARCELLE HICKEL
Manager Facilities & Logistics
NSW Justice Health

Delivering Results for Major Clients

“

“Pest2Kill have been servicing **Waverley Council** since May 2024 as our preferred Pest Control service provider under contract. During this time, I have found their entire team to be **very professional, quick to react to all ad hoc requests, and competitive with pricing**. Would not hesitate in recommending their services to any potential clients”.

TERRY KALLIS
Facilities Manager
Waverley Council

”

“**Diligent, professional and communicative**, Pest2Kill have implemented an effective rodent control plan for Hinchcliff House, focusing on sealing rodent entry points to minimise access which has been successful in keeping the issue under control. Their technicians take great care when undertaking any works and I have no hesitations in recommending the Pest2Kill team to any hospitality businesses.”
